

WHAT'S IN A MOBILE PHONE HANDSET?

WE PROMISE TO KEEP YOUR
OLD MOBILES OUT OF LANDFILL
YOU PROMISE TO RECYCLE THEM WITH US

Did you know that 90% of these materials can be recovered and reused, avoiding future greenhouse gas emissions, saving energy, protecting our environment and conserving scarce natural resources.

More info mobilemuster.com.au or call 1300 730 070

None of the mobiles, chargers or accessories collected are resold for reuse.
